

Leadership Camp @ Owaissi July 06-08, 2015

Camp Owaissi's enthusiastic and experienced Program and Cabin Leader staff look forward to this 2 day leadership adventure.

Owaissi's program is geared towards leadership development through camping, preparing you to become positive and effective leaders both at camp and in the community. The Leadership camp consists of opportunities to experience team building, group leadership, cooperation, problem solving, and independence. You accomplish these goals through hands on training, team sessions, mentorships, and various work duties around the camp. By participating in this camp you will develop introductory skills to a wide range of camp activities, an appreciation for outdoor education, learn about Owaissi's core values and how you can apply them every day to grow your own potential as a leader.

The Leadership Camp is for all youth aged 14-17 (turning 14 in 2015) who would like to develop essential beginning leadership skills applicable to becoming confident cabin leaders or for future jobs anywhere, paid or volunteer. The Leadership Camp is mandatory training hours for youth who would like to become volunteer cabin leaders at Owaissi.

You will receive a certificate of completion of the 2 day Owaissi Leadership Program, a valuable addition to your resume.
