

## Owaissi Camper Community Expectations

In order to maintain a safe, fun and productive camp environment, we require parents/guardians and campers to read and comprehend the importance of abiding by the following code of conduct.

- I will follow the camp schedule
- I will respect the youth leaders, staff, volunteers and other campers
- I will not use foul language
- I will not resort to name calling when an incident occurs
- Fighting, hitting or bullying will not be tolerated
- I will follow all safety rules set forth by camp staff

Summer camp is meant to be fun, educational and recreational activity. For the benefit of all campers, it is important that children behave appropriately during the summer camps. If it becomes necessary to take disciplinary action against a camper, the steps to be followed are outlined below.

1<sup>st</sup> incident: The camper will receive a verbal warning and an explanation as to why the behavior is inappropriate (whenever possible this will be done in a setting removed from other campers). The camper's parents/guardians will be notified of their behavior when they arrive to pick up their child.

2<sup>nd</sup> incident: Staff will determine the appropriate consequences for the camper's behavior (examples may include a 'time out'). The camper's parents/guardians will be notified of their behavior when they arrive to pick up their child.

3<sup>rd</sup> incident: The parents/guardians will be called to pick up the child and the child will be excused from all camp programs without a refund of fees.

The Camp Owaissi summer staff, in consultation with the Executive Director, reserves the right to bar any child from summer camps following a first incident in cases of serious inappropriate behavioral problems.
